

Force and Motion Flip Book

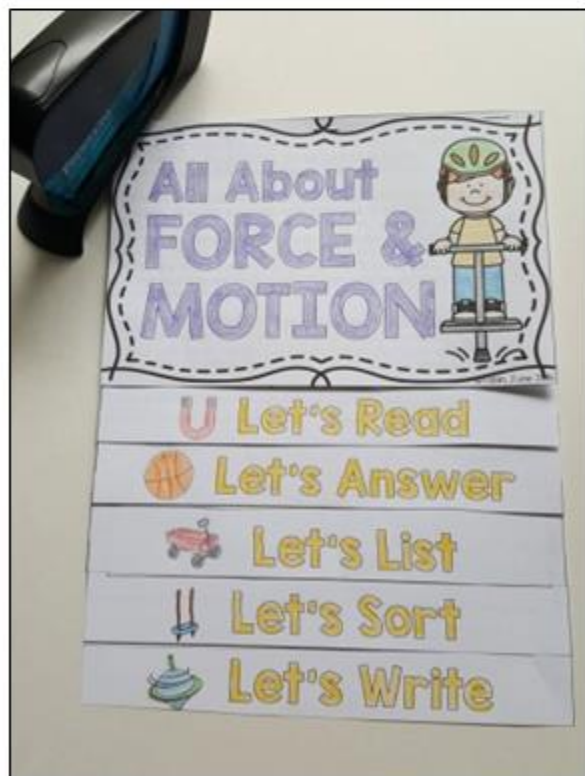

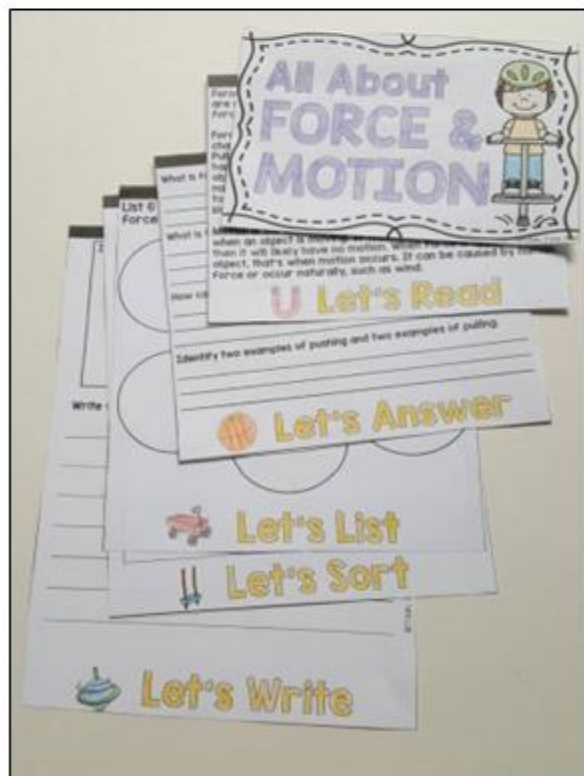

"Your flip books are probably my favorite product from TPT. I use them for all year long for science, social studies, holidays, etc. I love that they have the same similar structure, engaging activities that are independent, and rigorous text content for my second graders."

Building Your Craft...

Color and cut the pieces.

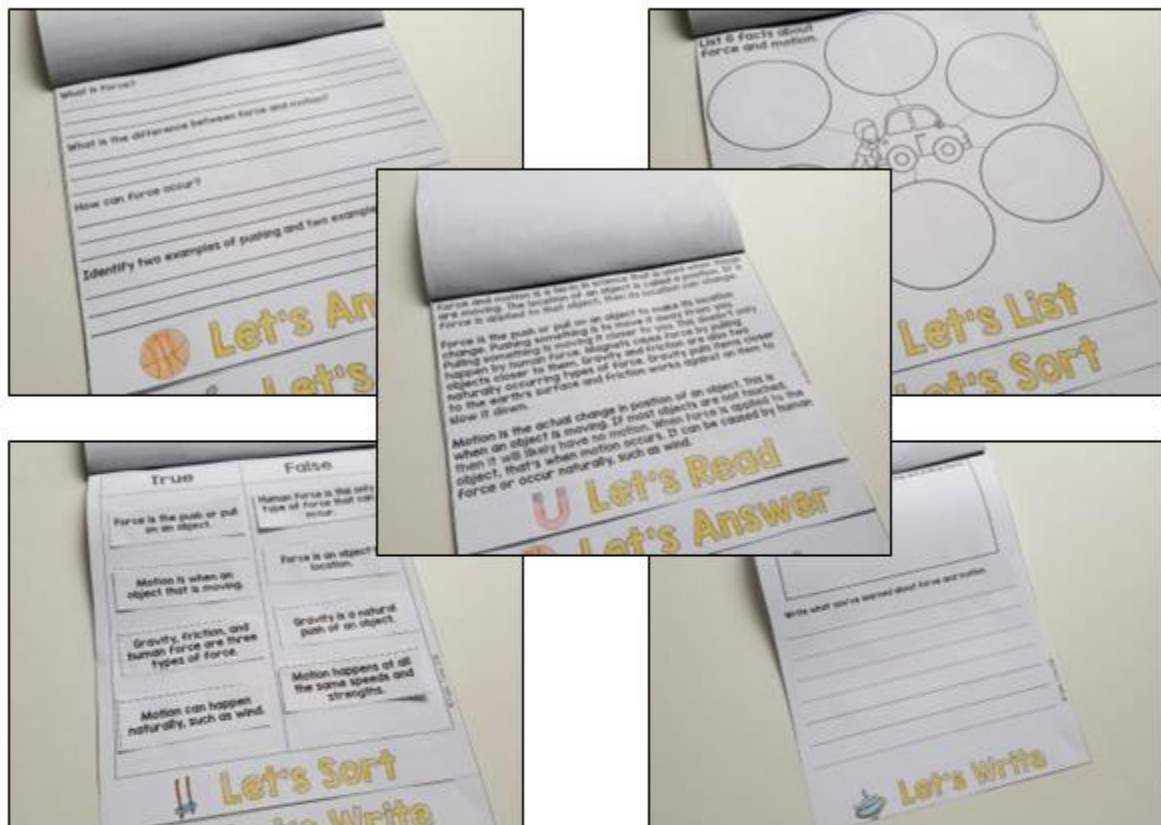

Stack the five pages in order. Staple at the top as close to the black strip as possible.

Building Your Craft...

Complete the pages inside the book.

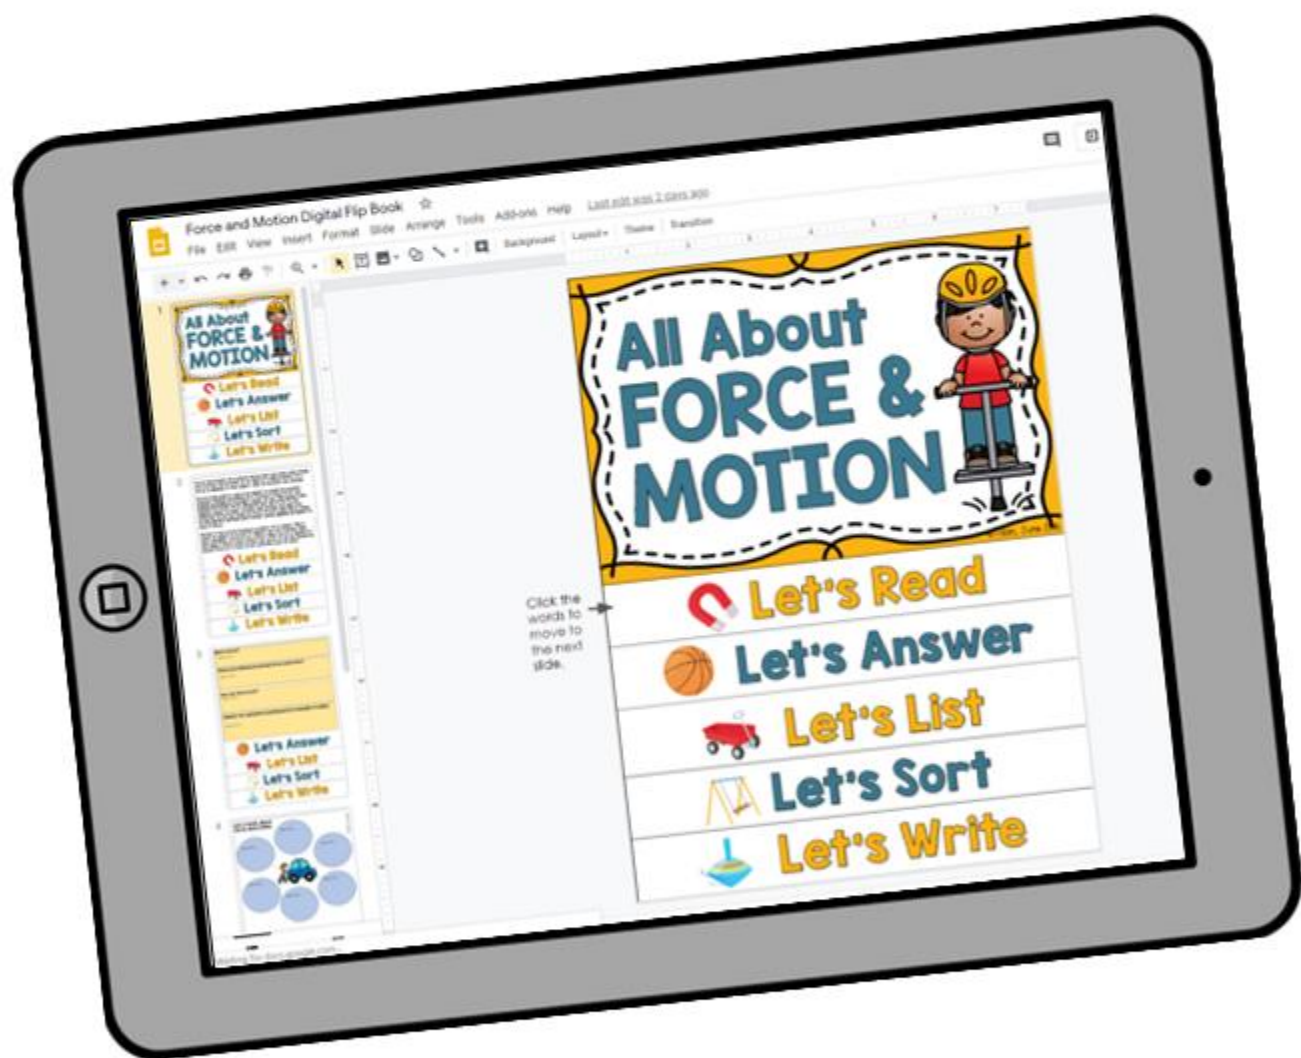

Glue the girl or boy to the top of the book.

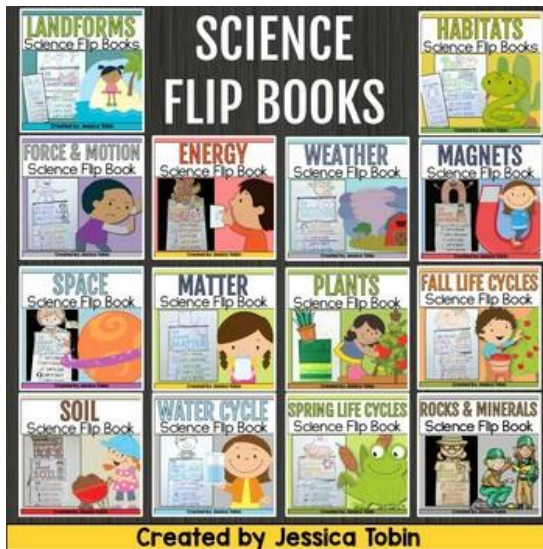

DIGITAL OPTION

This flip book is now available in Google Slides format.

More Science!

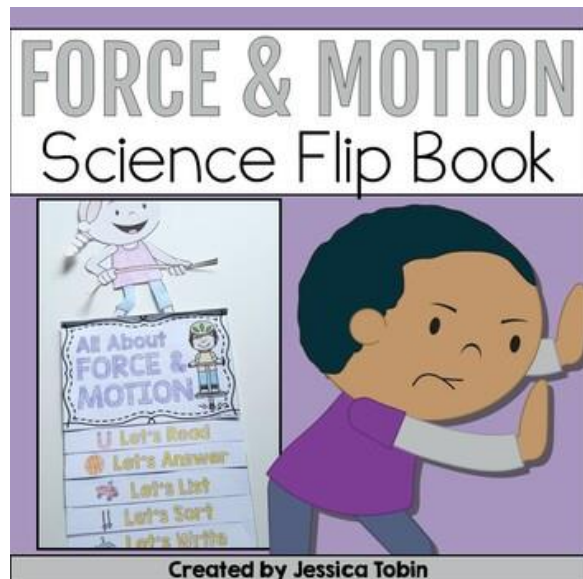

If you like this flip book, you'll love the collection of reading passages and worksheets on the same topics! There is also a money-saving bundle with 13 other flip books.
